

4th BCPN Symposium 2012 BC Proteomics Network: Driving Tomorrow's Science and Medicine

Monday February 20th, 2012

Vancouver Island Technology Park Conference Centre
#2201-4464 Markham St., Victoria, BC

Call for abstracts: Deadline Feb 10th, 2012

The BC Proteomics Network is hosting a one day symposium which will showcase research advances from local researchers and invited guests, and include a keynote presentation, plenary lectures, a poster session and oral poster presentations. A specialized workshop will be held in conjunction with the symposium on Feb 21st. For more information and to register for both events please visit, <http://www.bcpn.ca>
